BIG UP!

Dear *Mayfair*,
As far as I'm concerned you've always been the best quality British mag on the top shelf, but ever since your makeover at the start of this year you've bee heads and shoulders ahead of the opposition. All British girls, much better paper quality and more pages – and all for the same price – who could possibly ask for more? Are there any plans for any of the other Paul Raymond titles to get a similar upgrade?
Alan, Kent.
Well Alan, word has it Men Only's going supersized as from issue 5 this year, so keep 'em peeled! – The Ed.

GOOD VIBRATIONS

Dear *Mayfair*,
My boyfriend Greg lives a few hundred miles away from me and what with work commitments we only get to see each other a couple of weekends a month. The obvious downside of this is that we don't get to have sex as much as I'd like. To keep me faithful, Greg bought me a vibrator and to show my appreciation I said I would not use it until he was there with me. This, of course, was a lie because the minute the postman delivered it I had it out of the box and was plugging myself silly at any opportunity. When Greg next came to visit I has it back in its packaging so it looked as good as new.

As befits our rare get togethers the first thing we want to get down to is each other, but knowing Greg would want to see me enjoying my present I lay down some basic ground rules when I picked him up from the train station.

"When we get back to mine you are not allowed to touch me. You will sit in the chair in the corner of the bedroom and must stay there. Under no circumstances can you come near me. You will only be allowed to join me when I say so. Is that clear?"

"Errr... yeah," replied Greg, half confused but half grimacing.

When we got to my place I lead him up to my bedroom, still enforcing the 'no touching' rule and then I ordered him to take his seat in the corner while I went to work as it were.

I stood by my bed and seductively removed my jeans and top so that I was now standing in my skimpy underwear. I took a step closer to Greg and, knowing he was bursting to ravish me, I turned round and bent over, giving him a good view of the tiny G-string bisecting my arse.

"I RAN MY TONGUE ALONG THE PLASTIC SHAFT, THE FAINT TASTE OF MY OWN JUICES DETECTABLE..."

"Oh no you don't!" I barked as Greg inched forward, ready to touch my bum. "I've told you not until I say you can!"

Annoyed, but obedient, he sat back in the chair while I continued to tease him. I climbed on to my bed and bucked around on all fours for a while before reaching to the side of the bed to get my present.

"Oh, what's this?" I teased as I unpackaged the vibe and inspected it as if I'd never seen it before. I pretended to look at it in amazement and then ran my tongue along the plastic shaft, the faint taste of my own juices detectable.

Putting it down for one moment, I unclipped my bar and then slipped out of my knickers. Then looking at a very frustrated Greg, I picked the vibrator back up and switched it on.

I groaned as I ran it over my body, crossing my tits before heading down between my legs. After several minutes circling my pussy I ran the vibrator over my pussy lips and then pushed it between my tender folds. Accentuating my delight with overwhelming moans of pleasure I started to draw the vibrating toy back and forth in my pussy. When I looked up at Greg he was chomping at the bit, rubbing the bulge in his trousers with great eagerness. I shook my head to enforce that I was not ready for him to join me yet and returned to pleasuring myself with the buzzing toy.

As I continued to slide the vibrator in and out of my wanton hole, the pleasure started to get the better of me. I was getting carried away and my mind began to drift as a climax approached. Greg saw what was happening and used the situation to his advantage.

"HE HELD HIS PRICK IN HIS HAND AND GUIDED THE TIP AGAINST MY PUSSY FOLDS."

"I'll help you with that," he said as he leapt out the chair, stripped out of his clothes then took control of the dildo. I was past caring about telling Greg to keep at bay, in fact I was desperate for him to fuck me!

"This is what you really want," he laughed as he held his prick in his hand and guided the tip against my pussy folds. In one swift move he swapped the vibrator for his prick as he buried it deep inside me.

His first few thrusts coincided with my self-inflicted climax but Greg persisted in banging away as my whole body wriggled and jerked intensely. When I came back to my senses he was sliding in and out of me before asking me to turn over. I complied, raising my rear slightly in the air for him to take. His knob breached my fanny lips again and the thrusting continued.

It didn't take long for me to reach orgasm again and as my body went through the motions for a second time, Greg increased the vigour of his fuck strokes. I gasped as his tip went in as deep as it could before he quickly whipped the whole length out.

My pussy was gushing by now and every thrust made a loud squelching sound. As I drew close to reaching orgasm again Greg finally came. His cock exploded inside me and I felt my pussy hole fill with his hot seed. As he pumped the final strands into me he reached over to the vibrator and carefully handed it back to me.

"Now I'd like to see you finish yourself off again with this," he demanded, but seconds after flicking the on switch the buzzing suddenly stopped as the vibrator seized up.

"That can't be right, they should be brand new batteries, this toy is fresh out of the box. Isn't it?"
Julie, Exeter.

GOOD KNIGHT!

Dear *Mayfair*,
You've featured some stunning girls in the last few issues, but for my money none of them can compare to the wondrous (and previously unbeknownst to me) Steph Knight who appears in your latest issue (48.03).

For me the most important thing about a girl is her face, and Steph's rosebud lips and luminous eyes mark her out as a true beauty, who I very much hope will be appearing in the magazine soon – and many, many thanks for bringing her to my attention!
Alan, Crewe
She's certainly exceptionally pretty, isn't she? We'll do what we can about getting her back, Alan! – The Ed.

FOREVER GREEN!

Dear *Mayfair*,
Loved the latest issue with the stunning Amy Green in it! I've been one of Amy's biggest fans for ages now, and when I found out she was going to be in *Mayfair* I couldn't wait to get my hands on a copy! Of course I realise she's not showing off as much as some of your other models do, but I'd take those pictures of Amy you printed over some ruder shots of a less attractive girl any day of the week. Please, please, can we have more of Amy very soon?
Frank, Mansfield.
We'll do what we can, Frank! – The Ed.

MOUTH TO MOUTH...

Dear *Mayfair*,
Last month I volunteered to do one of those first aid at work courses – it meant more pay and a week off work. We were training in pairs and I lucked out, landing Phillipa, a stunning junior secretary, who was all of about 20 years old, as my training partner.

It even helped that she was absolutely fucking hopeless. Her way out of a screw-up turned out to be to flirt with me until I bailed her out. The night before the exam, she asked would I mind going over a couple of things with her. I asked her what was in it for me. I'm not the sort of bloke who'll take advantage of a girl – I'd have helped her anyway – but she'd been prick-teasing me all week. The crowning moment had come when we were doing checks for injuries, and her hand brushed over my crotch. It wasn't an accident and neither was my hard-on, so we both knew the score.

Back at my place she still couldn't take it seriously. I put both her arms in slings for the fun of it – loose enough that she could slip free at any time – and because she was being such a total bimbo, I grabbed a bandage and used it to tie her ankles together, telling her she'd better start thinking with her head or I'd bandage that too.

Her answer was: "Tying my ankles together won't stop me shagging..." I burst out laughing but she carried on, dead serious, telling me I could turn her over into the doggie position. "Or like this," I said, grabbing her ankles, and pulling her legs up over one shoulder. Now she was flat on her back with the slings still in place she was helpless. "See?" she said.

I rolled my eyes but she was wiggling her arse against me, so I reached up her skirt and grabbed a handful of her knickers. Not that there was much of them – a little white thong with lacy edges. I got them as far as her knees, and then started teasing her labia with my fingers, dipping just the very tips between them, until Phillipa was whimpering and squirming, needing something more. By the time I sunk one, then two into her pussy, she was already soaking wet. I fingered her for a couple of minutes, and then smeared her juices all over my palm, so my cock slipped in and out as I wanked it. I was already hard enough to fuck her, but the sight

Quick, go over to the window and take a look outside! No, we're not saying you'll catch a glimpse of Nina Leigh peeling off and playing with her mimsy (although she's quite a horny young thing, so you never know...), but no – the reason to look outside is because the winter's finally bloody well finished! It never felt like we were going to get there, did it? but we've actually struggled far enough round the sun at last for the weather to perk up. We're sure it won't last, and before you can say 'Where's the sun cream?" we'll all be huddling indoors again dreading the arrival of our next fuel bill. Still, there's no doubt about it, summer's here, and to celebrate the fact, here's Nina giving it her *alfresco* best!

Continued from page 05

of her in front of me was worth a quick shuffle.

At last, I couldn't wait any more to slip inside her – she'd been going frantic long before that. Don't ask me how I stayed as cool as I did – I can't describe how fucking awesome it felt slipping inch by inch into the warmest, tightest snatch I've ever had the pleasure of screwing – but I acted like I was only doing it to prove a point. In fact, when my come began to build up, I pulled out, knowing full-well she'd beg me to put it back in.

"I want to feel you come inside me," she breathed, and two or three strokes later my spunk was flooding her hole.

> "HER NAKED TITS WERE BOUNCING ABOUT IN ALL DIRECTIONS…"

I hadn't felt her climax yet, although she was so tight and twitchy around my cock it was actually pretty hard to tell. Still hard inside her, I reached around her thigh and managed to squeeze my hand in between her legs. Her clit was squashed in between her labia, but a couple of rubs got her orgasming hard around my shaft.

She stayed the night at mine – at least I'd get her to the exam on time that way – and, though I could have made the most of it, I told her no more shags unless she'd passed. That could have backfired badly on me, but I'm really glad it didn't.

She scraped through (I think me telling the instructor she was really nervous may have helped somewhat) and she was very grateful. Nothing happened that night, but on the Saturday morning she turned up on my doorstep out of the blue. Inside my house, she slipped off her long coat and I saw she was wearing a nurse's uniform.

"My sister's – she's a size 8 and I'm a 10," she said, explaining why she was half busting out of it. As she put on the little hat, she told me not to worry, that she wasn't making a career of it. "Good, you'd probably kill three quarters of your patients!" I teased her. Then I shrugged off my bathrobe so I was naked.

The time I'd fucked her I hadn't seen her tits so I made up for it now, unbuttoning her tight dress until I could pop them out for a grope. I'd noticed no VPL, and now, as I sucked on her nipples and my hands roamed over her arse and hips, I couldn't feel a knicker-line either. I hiked up her skirt and all she had on underneath it was stockings and suspenders, much to my surprise and delight.

I pinged the straps playfully before sitting Phillipa on the bed for to give her a good licking. Her beautiful pussy looked as good spread out as it had felt pressed tight around my cock. She'd trimmed and shaved her pubes into a neat little strip, and when I splayed her labia wide with my thumbs, her slit was pink and shiny-wet. "Almost too good to eat," I said, but she didn't have time to breathe before I sank my tongue inside her hole, right down to the root, my nose rubbing her clit from side to side as my stubble scratched against her inner thighs.

Once I'd got Phillipa squealing, which was not difficult, I slipped my hands under her arse cheeks and pulled her up against me and onto my cock. I jiggled her up and down a couple of times, and then lay on the bed so she was on top. Her naked tits were bouncing about in all directions, except when I reached up to cop a feel, or to pull her down so I could suck her nipples again. The only thing was she stopped riding me whenever I did that, so instead, I asked her to turn around and face my feet. That way, I could see her luscious little cheeks, with the suspender straps stretched tight against them and the high heels of her shoes pressing up against them too.

Sexiest of all, though, was the sight of her little pink arsehole. I'd get a flash each time she sunk down, spreading her cheeks against my crotch, and then I reached forward and pulled them apart with my hands. It was easy to wet a finger in the juices flowing out of Phillipa's fanny, but a bit of a tight fit getting it up her arsehole. It instantly had her squirming around and squealing again, and this time she reached down herself to play with her clit, coming almost as soon as she made contact.

> "SHE DIDN'T HAVE TIME TO BREATH BEFORE I SANK MY TONGUE DEEP INSIDE HER HOLE…"

I grabbed her hips and pulled her right down onto me as I started fucking up into her hard and fast, then, as I felt myself start to come, I shoved her up, so just the tip of my cock was touching her arsehole. She wasn't ready to take me up there yet, so I settled for spunking my load all over her tight pink pucker instead.

I haven't called her since then, but I'm thinking about it. I've got a sexy idea for a bed bath with a difference...

STUDYING THE CLASSICS 1&2

Dear *Mayfair*,

As a reader (and viewer!) of *Mayfair* for over twenty years, may I say how I really like the new quality to the magazine it really shows the models of in true class.

I have a request, if possible; I have an early issue of *Mayfair* – by early I mean Volume 10 no11 – it features in its centre spread a model called Joanie Allum. I have to say must I was in my teens back then and I was totally smitten by her – what a figure and a stunning smile! Would it be possible if your archive stretches back that far to feature the gorgeous Joanie Allum in the *Mayfair* classics section? I'm sure she would win a new army of adoring fans if so.

Right, I am off down the newsagent to pick up the latest copy, out last Friday.

Thank you for a great magazine!

Christian, via email.

Joanie Allum, eh? Well, as many of you will probably already know, Joanie made a name for herself as one of our finest photographers in the 70s and 80s, but yes, she did do a bit of modelling before that. Volume 10 Issue 11? We'll have a rummage through the archives and see what we can come up with! Watch this space… The Ed.

Dear *Mayfair*,

I know a heated debate rages as to the validity of the 'Classic" feature girl each month; particularly from younger readers who can see it only as a chance to recycle old photo sets.

I couldn't feel more differently and with a magazine with a history spanning nearly 50 years, giving over a small part of each issue to its rich heritage is interesting and keeps its legacy contemporary.

However on a much more practical note the magazine has featured some truly phenomenally fantastic girls over the years and it would be a travesty if the beauties were only featured at the time and later generations were never to see them again.

This week I came across an issue from 1981– Volume 16, No 8 (nearly 32 years old, then!). On pages 28-35 it features the most fabulous beauty Lucinda. A timeless and charmingly beautiful face with blonde hair, as perfect a body as there has ever been and as furry (it is 1981!) but neat and tidy a fanny as you could ever wish for. Jus the most beautifully prefect classical *Mayfair* lovely!!

Could you please consider publishing the gorgeous Lucinda in an up coming issue… this would hopefully silence the doubters and finally put the matter to bed once and for all! In addition, the feature is beautifully photographed and posed … another timeless characteristic of *Mayfair* magazine!

And while you're about it, you may wish to re-publish some of the letters from 30-40 years ago. They're an absolute hoot!

Best wishes and keep up the good work,

James, London

Hmm, yes, we've read some of those letters from 30-40 years ago – they were different times indeed! We're not altogether sure how many of them we could get away with in the 21st Century! Well, two requests for vintage classic sets this month – we'll get on the case and rummage through the archives! – The Ed.

Despite her surname (it's Blackburn, by the way) Lucy here doesn't hail from Lancashire at all – no, she's from Derbyshire, home of the peak district. And before you start thinking about the irony of somebody sporting a pair of A-cups coming from the peak district, we'll have you know that leggy Lucy is actually a huge admirer of her native hills...

"That's true," she tells us, "ever since I was in the Girl Guides I've like to go for hikes in the hills. Apart from anything else it's a good way to get away from prying eyes!"

Hmm, right – like you're overly worried about prying eyes, love – here you are getting your mivvi out in *Mayfair* magazine!

Stevie-Louise got our mailsack bulging when she appeared back in issue three, so we decided it was high time we got her back again, if only because we wanted to have another look at that wonderful arse of hers. We weren't altogether sure we'd quite done it justice in the last set of her, something we've hopefully managed to rectify this time around. It really is one of those bums you can't take your eye off, and Stevie seemed perfectly aware of the fact, wiggling it teasingly at us at just about every opportunity she got. Well, flesh and blood can only stand that sort of thing for so long, and finally we had to go and lie down in a darkened room – although whenever we closed our eyes all we could see was that peachy rear of hers!

Here we are cracking on with our fourth all British edition, and we've only just got round to putting the delectable South Coast babe Sasha in the mag – what the hell is going on?!

"I was starting to wonder that myself!" the sultry temptress herself chimed in. "I mean, I'm not that bad, am I?"

Not a bit of it, and to add insult to injury, a look through our (admittedly haphazard) records suggests we haven't actually had Sasha in the magazine since we teamed her up with Krystal back in 2011. Well first of all allow us to apologise; firstly to Sasha herself, of course, for such criminal oversight, but then secondly to all our readers for denying them her lovely form for so long. Sorry!

Well if it isn't Paige Turnah (what were her parents thinking of?!) – damn if we haven't gone and brought you one of the finest arses in British glamour! Talk about *gluteus maximus* – Paige makes almost every other model in the business (with the possible exception of American superstar Alexis Texas) look like they're sporting a couple of *glutei minimi* (there, a bit of Latin declension for you, just in case you though there was something missing from this month's *Mayfair*!). And, just for good measure, Paige's another *Mayfair* debutante this issue, which by our reckoning makes it a total of four newbies altogether; there aren't many magazines that can boast that sort of talent, month in, month out! Anyway, enough of this blather – will you check out her fabulous bum...?

Lucky you

Now don't get us wrong, it's always a thrill and a privilege to attend a shoot when there's a stunning young lady taking her clothes off, but when it's a newcomer on the scene and she's doing her first ever shoot for you – well, then there's something sensational about it – especially if the girl is anywhere near as sexy as Midlands babe Ava here!

Still, our concerns that she might be a bit on the shy side proved to be totally unfounded, because since she first took the adult plunge she's really thrown herself into it with gusto – she's even appeared in a naughty film or two, and she thought nothing of peeling off her togs and playing with herself in front of us. So at least one person in the room was cool, calm and collected about the whole thing!

QUEST...

Now of course we don't want all the horny women of the country turning lesbian on us, but the odd fling now and again won't do any harm, will it?

Recently I went on a midweek break to a spa, with my best friend, Chloë. It wasn't quite the relaxing trip I'd been expecting – for some reason she was really irritable with each me for the first two days, which threatened to spoil the whole trip. I wasn't sure what I'd done to upset her, but I didn't seem to be able to say or do anything right. It wasn't until the third day I found what was on Chloë's mind, when we were sat next to each other in the sauna – in silence. I began to say something to the effect of, "Look, what's going on with us?" but I don't think I got a single syllable out, as Chloë leant over and kissed me full, square on the lips, leaving me absolutely gobsmacked. Although I had never having been with a girl it had been an ongoing fantasy of mine – but I have to admit Chloë had never even entered my mind as an option! But now, as I felt her soft, warm lips on mine, I found myself sort of melting into her and kissing her back, in spite of myself.

Name: PIPPA
Age: 23
From: ESHER

Tenderly pushing my hair from my face, Chloë smiled at me nervously and I grinned back, aware of the butterflies in my stomach. Encouraged, she leant in again and kissed me more forcefully this time, and I felt her warm tongue push between my lips and snake its way into my mouth, exploring urgently. Her hand squeezed my boob through the thin material of my swimsuit and I gave an involuntary shudder; finally experiencing a woman touch my body was so liberating! Something in me clicked and I kissed her back passionately, pulling her to me as I did and tracing my finger around the outline of her erect nipple. She was panting hard now and, pulling her tits out of her costume she gently pulled my head towards one, offering her nipple to me. I took it in my mouth, sucking on it gently and rolling the little button around with my tongue, enjoying the way it felt.

Chloë stroked her hand down my body, pausing to caress my boob again before stroking my thigh and snaking her hand in between my legs. I moaned as she nudged my legs apart and cupped my mound in her hand for a moment, before she began grinding her palm in a circular motion, massaging my clit and sending waves of pleasure throughout my body. I let out a low groan and spread my legs wider, allowing her access to my entire pussy and she took advantage of this, pulling the swimsuit gusset to one side and moving her slender fingers to my swollen clit. As she deftly frigged my sensitive bud I felt the lust rising inside me until it was an urge – I had to fuck this woman!

> "AS SHE DEFTLY FRIGGED MY SENSITIVE BUD I FELT THE LUST RISING INSIDE ME..."

There was obviously a swimsuit rule at the spa, but as Chloë stripped me off, she tried to lighten the sexual tension by joking that being caught starkers would be the least of our worries if someone walked in on us!

Being in the sauna, our bodies were dripping wet with fresh, clean sweat that made us so slippery against each other that it made the experience even sexier to me than it was already. I'll never forget the way Chloë's hands felt sliding all over my naked tits as she snogged me properly that very first time. Exploring every bit of my nakedness, she felt her way down, easing her slippery hands under me to cup the cheeks of my arse, as I splayed my thighs for her once again.

As she knelt in front of me, she inhaled deeply and whispered, "You smell so good, so musky", before burying her face in my crotch. The moisture was dripping down my body, over my clit, and as her tongue rimmed over my labia, then found its way inside my pussy hole, I was aware of my juices welling and running down my thighs. Then, without warning, she started frigging my nub really fast and slipped two digits inside my fanny, fucking me hard with her fingers. Knowing anyone could catch us made it all the more horny, and I started coming so hard and so fast, I could barely catch my breath. My back was pressed against the hot, wet tiles and I almost slithered off as Chloë brought me to a massive orgasm.

I wanted to taste her too, get a mouthful of her musky, dripping pussy but she said she wanted to shower as she had a little surprise for me. We both went into the changing rooms and had a shower, and I took the time to wash my hair and lather up my body, paying particular attention to my most sensitive areas, of course! By the time I had finished, Chloë was sitting, waiting for me, in a towelling robe and told me to follow her. She led me off to one of the little treatment rooms, and bolted the door behind us. Then sprung her second surprise of the day on me – she dropped her robe to reveal that she was naked except for a strap-on!

Grinning, she spread a towel on top of the massage table and bent me forwards over it, rubbing her body – silky-soft from all the pampering treatments she'd had – against my back. A little shiver went through me as her fake prick brushed against my inner thighs, and a bigger one as she gently she pushed it into my snatch and began to fuck me.

She went slowly at first, but pretty soon Chloë was ploughing me so hard we didn't need steam to work up a sweat! My fanny was throbbing, a sure sign that I was close to climaxing again, then she reached round under me to give my clit a tickle. I grabbed a corner of the towel and stuffed it in my mouth, gagging myself as I screamed with pleasure, my body shaking with the pure exertion. I was still groaning loudly when we heard a knock on the door. Chloë tensed and quickly pulled her fake cock out of my sopping pussy and, feeling like naughty schoolgirls, we got ourselves together as fast as we could.

When we opened the door, we walked out bold as brass, Chloë telling the rather annoyed masseuse waiting outside that I'd felt a bit faint after too long in the sauna. If she'd only know what was concealed underneath her robe, still coated with my juices...

Hi, my name is Karen and I'm 27 years old. I thought you might be interested in what happened on a recent trip to Manchester when I went home to see my family and catch up with some old friends.

Name: KAREN
Age: 27
From: BRENTWOOD

I hadn't seen Rosie, my best friend before I left home, and I was keen to find out in person how she was coping with her recent divorce. I said I would pop by her house and then we'd head into town to meet some other friends.

> "'I CAN SEE YOUR PUSSY FROM HERE. IN FACT I CAN SEE YOUR CUNT LIPS AND YOUR RED, SHINY SLIT PEEKING OUT AT ME'."

As soon as I arrived at her house she threw her arms around me and cried her eyes out. Doing my best to ignore the mascara stains on my shoulder, I led her to the couch where we sat and cuddled for half an hour, missing the first port of call I'd arranged with a few friends.

Resigning myself to a night in, I phoned the others and told them to go on without us and kicked off my shoes, grabbed a couple of cushions off the couch and sat, cross legged on the floor, while Rosie poured her heart out. Glass in hand and bottle not too far away, I leaned back against the opposite chair and listened to her fears for the future. Halfway down the second bottle she suddenly asked, "Aren't you wearing any knickers?"

And when I told her it was a thong, she replied huskily, "I can see your pussy from here. In fact, I can see your cunt lips and your red, shiny slit peeking out at me."

Gulping a mouthful of wine, I could feel my face burning with embarrassment, and when she got down on the floor next to me, her fingers stroking the tops of my thighs where my dress had ridden up, I didn't know what the hell to do. Juices were gushing out of my slot as Rosie stroked my legs, and her words made my clit tingle and my cunt throb with excitement.

Light-headed with lust, I nervously leaned forward and kissed her, not knowing what had come over me. Her lips were soft and moist, and tasted slightly salty from crying, and when she opened her mouth and slid her hot, wet tongue over mine, thrusting it into my mouth hungrily, I could feel myself getting really turned on, enough to put my hand between her legs.

I'd had some teenage fumbles with other girls when I was at school but this was the first time I'd seriously felt up another woman, and I couldn't believe how erotic it was. The room was dim, the wine had gone to my head and the fire was making me drowsy, and all I could think about was fingering Rosie's hot, slippery cunt. Even through her knickers I could feel she was soaking wet, her juices drenching the gusset of her panties. She gasped as I slid a finger under the silky material and touched her bare skin.

Returning the favour, Rosie stuck a couple of fingers up my cunt,

"I WATCHED THE RUBY RED WINE SLIDE DOWN HER GASH AND STAIN THE TOWEL I'D SHOVED UNDER HER BUM."

thrusting them in and out as I gasped loudly. In a frenzy of lust by then, we stripped and lay down on the rug, piling cushions under us to make ourselves more comfortable while we explored each other's naked bodies. Reaching for the towel Rosie had cleaned her face up with earlier, I took another gulp of wine and lowered my head to her cunt. Dribbling some directly on her twat I watched the ruby red wine slide down her gash and stain the towel I'd shoved under her bum.

Bending my head, I buried my face in my friend's twat and licked her clean, swallowing the wine dregs along with her cunt cream. She tasted lovely; sweet and salty at the same time. I was so turned-on by then that I needed some release so climbed up Rosie's naked body and straddled her face, grinding my snatch down against her as she thrust her tongue up my slot. Returning to my feast, I sucked hard on her pussy, drawing all the juices from her womb and tormenting her clit with my tongue.

When I felt Rosie's hands spreading my buttocks, her tongue rimming my arsehole, I plunged my tongue further up her cunt, fucking her with it as she tried to get hers in my anus. The dirtiness of what we were doing, the wetness of Rosie's pussy as I practically drowned in her juices, the stickiness coating my hands and face, as well as her tongue thrusting in and out of my arsehole, sent me over the edge and I came, slamming my cunt down on her face over and over as waves of pleasure engulfed me.

Still greedy for cunt cream, I continued to suck on Rosie's muff until she came too, flooding my mouth with gallons of juices that slid down my throat and dribbled from the corners of my mouth faster than I could swallow it all.

Drenched in sweat and pussy cream, we carried on pleasuring each other for hours, finally falling asleep in each other's arms for a few hours before starting all over again.

Susie and I have been best mates since high school. We attend the same University and share a small flat. Over the past years we have had a huge amount of fun together, but, until recently, none of it sexual.

Life has been good for Susie for the past few months. She is having a very intense romance with Paul and seems to be on a constant high. On the other hand I have become a serial dater, and have been crashing through a series of one-night stands without getting any real satisfaction.

Anyway, about three weeks ago, Paul was away on an archeology field trip and Susie and I decided to have a girls' night in, so we bought a couple of bottles of wine, some ice-cream and popcorn, and I rented a chick flick. We lit some scented candles switched off the lights, turned on the DVD player and kicked back on the sofa together to watch.

We got a huge surprise as the DVD started to play, it was not the flick that we had chosen, but a porn movie that a video rental employee or a customer - had apparently put back in the wrong box by mistake! Susie and I chuckled as tongues and tits wiggled and jiggled on the screen. We were having a laugh so we decided not to take it back, and, already tipsy on our wine, instead critiqued the starlets' performance as we snuggled together on the sofa.

After another couple of glasses, however, we both got caught up in the film, and the snuggles just seemed to naturally turn into cuddles. And when the next scene up was a lesbian duo we began to follow their lead and began kissing passionately.

I closed my eyes, enjoying Susie's soft full lips moving lightly against my mouth. She tasted of wine as her tongue played gently against mine and as the kiss intensified I felt her hands move to one of my shoulders. She pulled the spaghetti strap of my camisole down and freed one of my breasts.

As her lips latched onto my nipple I felt an itchy heat growing between my legs. My pussy dampened and my breath came in short gasps as my body became hypersensitive and in a haze of lust I began unbuttoning the tiny pearl buttons of her blouse.

Compared to me Susie has big breasts, and as I uncovered them my mind went through turmoil. She was so beautiful I could not resist her - but what if this ruined our friendship? I was hovering in indecision when one of the girls on the screen distracted me by moaning with what seemed to be absolute bliss as the other girl's tongue licked along her soft pink labia. Losing all reason I gathered Susie's big tits in both hands and buried my face between them.

Susie purred and moved in under me, her soft curves straining the fabric of her sweet little cotton panties as she tried to wriggle out of them. I momentarily lost interest in her gorgeous tits as my eyes drifted down towards her neatly trimmed pussy. Like everything about Susie, her pubic mound was softly rounded. It was also lightly covered with delicate blond curly hair.

I slid my camisole over my head and was now dressed only in a lace thong. Susie had finally removed her panties and was staring at mine. Her hand caught the thin cord which ran between my buttocks and she pulled it back and forth ever so gently, sawing the tiny front lace panel across my clit and between my throbbing clitoris.

I was on a sexual high and thinking only of myself. I lay back,

> "VERY SOON I WAS GASPING FOR AIR. SUSIE FLICKED WITH HER TONGUE UNTIL I BEGAN TO COME."

pinching my nipples as Susie pushed her blonde curly head between my thighs and, flipping the tiny gusset of my thong aside, began sucking my clit.

Very soon I was gasping for air. Susie flicked and licked with her tongue until I began to come. The friction of the lace against my clit made it impossible for me to hold back, and my back arched and my hips thrust upward as my pussy went into the most glorious spasm. Susie kept nibbling and licking at my super sensitive labia, now probing my inner pinkness with her tongue every so often until I was squealing in delight. I came again and again.

I felt blissful and as I came down from the endorphin high, and, giggling delightedly I rolled on top of her. Susie lay back, waiting for me to pleasure her and as my hands explored her beautiful curvy body she cooed with pleasure whenever I encountered a particularly sensitive spot.

My hands gravitated to her beautiful pussy and I spread her swollen pink labia. I began licking the length of her labia slowly, gently batting her clit each time my tongue reached it.

Still holding her pussy petals apart with one hand I sucked the index finger of the other sexily so she could see, then slid it slowly inside her, working it in and out until she began to thrust her hips up in time to my frigging. Smiling as I saw her eyes open wider and felt her pussy grip my finger I began shunting it in and out faster and faster. At the same time I leaned forward and recommenced licking and sucking her clit.

Her movements on my finger became more frantic so I used a second finger to double her pleasure, and as I felt her orgasm build I nipped her erect little clit and felt her pussy convulse in my mouth. Susie gasped as she came, squirting her essence into my mouth with jerky little movements as she come repeatedly.

Holding her hand, I leaned back to watch her, and when her orgasm began to subside I kissed her gently, cuddling her just as the two girls on the television screen finally moved apart, gasping almost as heavily as Susie are I were.

Debate raged long and hard in the *Mayfair* office over whether we could include an Australian in a magazine dedicated to British babes. "Apart from the Aboriginals, the Aussies are basically British but with better tans," ran one line of argument, while that was countered with "But a lot of Greek, Italian and other communities have settled in Australia as well!"

Anyway, so it went, back and forth for quite some time, until finally the pictures of Jayden flopped onto the Ed's desk. At that point we all just shut up and gazed at her – there didn't really seem any point engaging in ethnographical nit-picking once we'd set eyes on her gorgeous face and bod. "She's going in the mag!" we all thought as one, and here she is!

On the job

FAWNA

Age: 19 **Vital Stats:** 35D-23-35 5'6"
Photographer: Steve Colby

We like to keep our noses clean here at Paul Raymond – we're an (almost) respectable firm, after all – so when word went round the building that someone from the vice squad was on their way we were a bit baffled. Were they going to try and shake us down or something?

Thankfully, when the copper in question turned up it was Fawna here, and instead of worrying about wether anything we were doing could possibly be classified as vice, she was far more interested in providing us with a bit of vice of her own. Well, when we saw that old school topiary she had on offer we knew we wouldn't be able to resist – you don't get many of those to the pound these days!

LEXI BELLE

There are plenty of porno starlets out there who were a bit wild even before they got into the business, but this month we've unearthed one of the biggest names in the biz and it turns out she was a pure as driven snow before her discovery. She isn't any more, mind - not by a long chalk!

We don't just bring you new faces from the adult world, here at *Mayfair* Presents, no; we also feature those babes that may have escaped your (and our) attention! And this month's subject, Lexi Belle, is one such hottie!

In fact, just why we haven't featured Ms. Belle on these pages before is not only a bit of a head-scratcher, but is also somewhat of a travesty – especially as the American starlet was named as one of the 12 most popular porn stars by CNBC in 2011, along with the likes of Tera Patrick and Jenna Jameson! And with her tight body, pretty face and bubbly personality, it's not hard to see why!

Cute-as-a-button, it's hard to believe that the 5'3" lovely is almost 26-years-old, and has already been screwing on screen for 7 years. Unusually for a top XXX star, she wasn't a stripper before moving into porn, and she never strived to be in the industry. No, instead she was a shy, prudish girl, working in her best friend's dad's video store until she was approached, and recruited, by an industry bod, who just happened to visit the shop and see a raw talent working there. Lexi says, "We built up a friendship for about three months and one day I went to a set and was watching this MILF get railed by these two big black penises and I was staring at it and my eyes were watering and I couldn't blink and I thought, 'oh my goodness, I think I want to try it!'." And try it, she did, very soon after that day on-set.

Despite only having lost her virginity the year before with her equally-innocent boyfriend, and had only experienced 'straight, lights-off only sex' since then, the all-natural, 32C-24-33, 18-year-old blonde jumped straight in at the deep end in December 2005, by taking on two studs in her first ever porn scene. She recalls, "I basically came into this industry

> "SHE WAS A SHY, PRUDISH GIRL UNTIL SHE WAS APPROACHED, AND RECRUITED, BY AN INDUSTRY BOD…"

as a virgin. I didn't know any positions. I had never given head. I had never been with a girl, or two guys. I'd never done any of that! I wouldn't recommend learning that way to anyone. Unless you want to learn fast, then it's the best way I guess."

It can't have been too bad an education for Lexi, because 7 years later she's at the top of her game; she's made around 420 movies; won 12 industry awards and been nominated a further 46 times; she has an enormous

world-wide fanbase and her website is one of the largest-grossing in the adult business. Not bad for a self-confessed, trombone-playing, band-geek from Independence, Louisiana!

So, what does a superstar like Lexi Belle do in her spare time? Not what you'd expect from a glamorous L.A. dweller, that's for sure! She enjoys scrapbooking, reading raunchy romance novels, hiking, visiting amusement parks, is a huge *Star Wars* fan and a keen snowboarder ("I once gave a mini-hand job on the ski lift") *(What the fuck's a 'mini-hand job'? Maybe because it was cold or something… – The Ed.)*. Despite growing up in the South, she's now a staunch pescetarian (not vegetarian, like widely publicised; she eats fish) and regularly volunteers for animal charities – specifically cat charities as she is a huge cat-lover and dreams of opening her own cat sanctuary! Oh, and did we mention that she also likes fucking to Radiohead? Thought not.

But, just like her character, Batgirl (who she played in the 2012 blockbuster, *Batgirl XXX: An Extreme Comixxx Parody*), surely Ms. Belle has an Achilles heel? Of course! She says, "I have a foot phobia! Every since I was a baby, I've hated feet. There's a long story behind it. I'll tell you some other time. But I can't have my feet touched or even looked at. It freaks me out. Even talking about this makes me uncomfortable!" Which will be why you'll never see her in a foot-fetish movie! We also found out that the bubbly beauty also has a phobia of the sea. She goes on, "There was one time that I was bound and gagged and put in a straight jacket and hung upside down and fucked and I would rather do that again then go in the ocean!" So, now you know!

So, think you're in with a chance? Apparently not, if you don't resemble Kurt Cobain (Circa 1993, of course!), as she tells us that she likes the 'surfer boy look'. However, as she then goes on to tell us that her fantasy celebrity fuck is Adam Sandler, we're not too sure whether to believe it or not! Maybe she's just keeping her options open, eh? But, no matter – it would appear that, far from being an old-fashioned gal, the hazel-eyed honey likes to do the hitting on herself, "My website is the best pick-up line ever. I meet someone on set and I say, "Oh you're hot, can I get your number? I want to shoot you for my website and you'll be fucking me." It's so cool. I pulled that on a guy once and he's not even in the industry and I talked him into doing it."

With sexual tastes that include facials, anal, A2M, blowjobs, squirting and cumswapping, you may well wonder how a single girl like Lexi gets her kicks away from work. Cyberspace, she says, is the answer: "I do a live chat with a random person, where I cut off my face, so they have no idea who I am. Because that turns me on. It's one of those things where I'm horny but I can't go to sleep. I wanna jack off, but I don't want to stay up for another thirty minutes. If I just go in this chat room, I finish in three minutes by watching a guy stroking his cock. And then I exit out and they don't know who I am. And now I can go to sleep."

So, the next time you're in an adult chatroom, webcamming a sexy laydee who refuses to show her face, it may well be one of the porn industry's favourite starlets, Lexi Belle!

"WHEN I'M HORNY BUT CAN'T GO TO SLEEP I JUST GO IN THIS CHAT ROOM..."

MELISSA

PHOTOGRAPHED BY STEPHEN K MORRIS

Favourite Music: ***Some seventies funk is cool – check out Sly and the Family Stone if you know what's good for you. Barry White's the best music in the world to put on while you're having sex.***

Worst Habit: ***Shouting! Everyone says I've got a very loud voice, but it's usually only because I'm excited. When I'm in bed with a man, I like to let him know if I'm having a good time. I must admit the neighbours have complained more than once, but that's because they were probably jealous that I was getting a good seeing-to and they weren't!***

Longest Time Without Sex: ***I once went out with this guy who reckoned he was a bit handy in the sack. He was alright, but not a total stud. We had a bet to see who'd be the first to ask for a fuck. It went on for three weeks before he cracked and begged me for a shag. I told him to forget it – anyone who can resist me that long must be barmy!***

Best Holiday: *I went to California with a girlfriend last year. It was absolutely amazing. The weather was gorgeous, there was so much to do and all the American guys really got off on my English accent.*

Favourite Pub: *There's a great little place just outside Otley that I often sneak out to on the bus. The only drawback is that it's very out of the way. That's when you see who's a gentleman and who's just trying it on – if they offer you the taxi fare home, it means they're alright, so I invite them back with me!*

Most Erotic Experience: *There are some real hunks who train at the leisure centre where I work. It's strictly against the rules to get up to anything on the premises, but once I just couldn't help myself. This particular guy noticed me looking at him through the gym window, and started chatting after his workout. I offered to take him on a tour of the centre's other facilities. The only place not being used was the sauna, so we stripped off, got in and got down to some serious screwing. I know a steam bath is supposed to help you lose weight, but by the time we'd finished, I*

MAYFAIR Classic

Sweet Jesus – no wonder Team GB have had so many successes in the pool over the last few years, if Melissa here really was a swimming instructor in Leeds 17 years ago! We bet those young swimmers were queuing round the block to get into her classes, although perhaps practicing the backstroke might have proven a bit of a problem, with a whole line of periscopes poking their way above the surface as their owners splashed their way from one end of the pool to the other. We wonder if she's still at it...?

Coming Next Month

To be honest with you, I don't know how we've managed to hold off so long, but have had our socks blown off by Cara Delahoyde when she appeared in the first issue of the year, we've now got her back so that we – er, I mean you – can have another shufty! Oh, and if that weren't enough, we've also got the delectable Sophie Star in, and she's getting naughtier than ever before. Reckon you can wait four whole weeks? Well tough titties, you're going to have to!
